

Administration Guidelines/Policies Marine and Jet Ski License Subsidy

Endorsement Date:	15 April 2024
Guideline Topic:	Marine and Jetski Fee Subsidy
Guideline Number:	ADM012
Document Version Control:	Version 1: 18 October 2004 Version 2: 15 April 2024

Background:

In 2004, SLSQ and the State Government introduced the Marine Licence as a pre-requisite for all Lifesavers wishing to obtain their Silver Medallion IRB Drivers Award and/or RWC Operator Award. In order to assist members with the costs associated with gaining this external qualification, the Club has introduced the following:

Club Guideline:

Marcoola SLSC agree to subsidise 100% of the fees applicable for the training and assessments required to obtain a marine licence, Jet Ski licence or combination of both. Fees payable up to a maximum of \$750 per member.

This subsidy is limited to the training and assessment component only. Members will be responsible for the Transport Department Licence Fee.

Subsidies will be approved for members who have completed their skills maintenance requirements and continue to satisfy the club patrol obligation requirements as outlined in the Club By Laws.

Note:

This policy is limited to the number of members who qualify for this subsidy per season, subject to the Club's ongoing requirements.
