Volunteer Patrols

Youth / Life Members / Competitors & Nippers patrols have been rostered this season, this is a chance for those that wish to do some extra hours plus have the opportunity to meet and patrol with some different people from the Club. Youth patrols will also serve as a chance for our youth members to be mentored by more senior members to develop their lifesaving and leadership skills. It would be great to see some of our experienced lifesavers volunteer to assist with these patrols and help develop our young lifesavers.

NIPPERS: SAT 19 October AM 7am-12pm

LIFE MEMBERS: SUN 24 November PM 12pm-5pm

COMPETITORS: SUN 15 December PM 12pm-5pm

YOUTH: WED 1 Jan PM Patrol PM 12.30pm-6pm

Christmas Day Patrols

As always, we chose not to roster particular teams on Christmas Day, instead we ask for volunteers that wish to give up part of their Christmas to help us keep the bathing public safe while maintaining full patrol strength.

Volunteers much appreciated!

Christmas Day - AM & PM Patrol

Casual Floating Members

In an effort to become more flexible for our members, this season we have a "floating" team comprised of members that can not contribute to a full patrol roster, however remain valuable lifesavers who can be utilised across the season when it is convenient for them. It's still an expectation that these members complete a minimum of 40 hours in order to qualify for member benefits. They're a great list of people to call on if you need a substitute in the first instance before you try other patrolling members.

Arranging a Substitute

We understand there may be a patrol that you cannot attend. If this is the case, it would be greatly appreciated if you can try and organise your own patrol swap or substitute to ensure Team is not left short. Please ensure your Patrol Captain is notified of changes. The team of Casual Floaters listed on the back of the patrol roster can be utilised or you can try calling on favours of other members within the club.

By organising a swap or substitute when you cannot attend a patrol takes the pressure off your patrol team.

Arranging a Substitute

We understand there may be a patrol that you cannot attend. If this is the case, it would be greatly appreciated if you can try and organise your own patrol swap or substitute to ensure Team is not left short. Please ensure your Patrol Captain is notified of changes. The team of Casual Floaters listed on the back of the patrol roster can be utilised or you can try calling on favours of other members within the club.

By organising a swap or substitute when you cannot attend a patrol takes the pressure off your patrol team.
